

TINLEY FALL FESTIVAL SEPT. 4 to 7

PFC. ERICKSEN OF NEW LENOX A RELEASED PW

Great joy and excitement came to New Lenox Tuesday night when word was received that a service man who had been reported missing in action was released as a prisoner of war just released.

Mrs. Nancy Erickson, Central road, New Lenox, received a cablegram Tuesday night at 10:30 stating that her husband, Pfc. Wayne R. Erickson, was among the 133 prisoners of war released in Korea Tuesday. She was overjoyed and immediately called her brother, Mr. and Mrs. Irvin Erickson, and her parents Mr. and Mrs. Wilbur Walz, and gave the glad news. Late that evening Mr. and Mrs. Irvin Erickson and Mrs. Wayne Erickson drove to Chicago to convey the wonderful news to his mother, Mrs. Ethel Erickson, who was at her place of employment.

This was the first news they have had from Wayne since they received word July 14 that he was missing in action. Many of his friends in New Lenox had given up hope of ever seeing or hearing from him again, but his wife held to the firm belief that some day she would hear from him.

Pfc. Erickson is 21 years of age. He entered the service July 14, 1952, and was home on a furlough last Thanksgiving.

He was married to Nancy Walsh December 8. The following day he left to report for duty in the state of Washington. He shipped out to Korea from there on December 30. The family is expecting to receive word from him at any time now. Many people in this area heard his name read by the newscaster Tuesday night, at 10:30 and later.

The George Krenl family in Mokena have had no further news of their son, Richard, who was reported missing in action at the same time that Wayne Erickson was. Richard and Wayne were together, and in June when they were given their five-day rest period they were together in Tokyo for a vacation.

Form Partnership In Auctioneering

An auction partnership has been formed by Peter Miller and Willard C. Owen, who plan to conduct an auction service in this area, with complete management service. They will specialize in farm and livestock sales.

Mr. Miller is a native of Edinburgh, Scotland, where his family has run an auction service for many years. He lives in Joliet. Mr. Owen, who lives on Rte. 30, near Mokena, is a graduate of the Reisch Auction School, of Mason City, Iowa.

POTLUCK DINNER

The Orland Park firemen and their families are having a potluck dinner next Sunday, August 30. The affair is to take place at Andres, south of Frankfort, on Route 45.

Frankfort PTA Buys Polo Shirts With School Name Imprint

The PTA of the Frankfort public school have purchased polo shirts that will have the name of the school imprinted on them, which parents will be able to purchase for their school children in about three weeks. Any one interested in these polo shirts should contact the ways and means committee by calling 4732, 4673 or 4381.

The Frankfort public school will open Tuesday, Sept. 1, with registration of pupils starting at 1 p.m. Sale of books will be conducted between 1:30 and 3:00 p.m. All pupils in the first and fifth grades must have a dental and physical checkup before registering.

On September 18 an auction will be held at the school on used articles. Anyone having an article to contribute should contact 4673.

Local Boy Exhibits Swine at Junior Market Hog Show

Cook county was represented by entries at the 1953 Chicago Junior Market Hog Show and Marketing Day which was held Tuesday, August 25 in the International Amphitheatre.

Four young swine producers exhibited hogs of their own raising at this popular annual event. They were Stephen Bergman, 11 years old, and Herbert Plate, 20, of Palatine; Darrel Erickson, 14, of Mokena, and Marvin Straub, of Elgin.

The show was open to 4-H and FFA members who have swine raising projects.

Mrs. Lena Hacker Of Mokena, Dies In Silver Cross

Mrs. Lena Hacker, 76, of Mokena, who has been ill for some time, passed away early Wednesday morning, August 26, in Silver Cross hospital. On August 15 she had undergone surgery from which she rallied satisfactorily, but took a quick turn for the worse Tuesday.

Born in Chicago October 19, 1876, she moved to Frankfort as a child with her parents, Mr. and Mrs. Fred Leonhardt, where her father had a shoe shop. A few years later the family moved to Mokena, where Mr. Leonhardt had a shoe shop until his death.

She was married October 3, 1900 to Philip E. Hacker, in Mokena, where they established their home and where she has lived since. Following her husband's death in 1944 she made her home with her son, Philip, in Mokena.

Besides her son, Philip, she is survived by a daughter, Mildred, Mrs. Henry Shevlin of Mokena, and another son, Ralph of New Lenox, four grand children, two great grand children, and one brother, Henry Leonhardt of Joliet.

The body was removed to the Hirsch chapel in Tinley Park, friends may call Thursday afternoon and evening. Funeral services will be held in the Tinley Park chapel Friday afternoon at 2 o'clock, with Rev. William Riemann, pastor of St. John's Evangelical and Reformed church, officiating. Burial will be in St. John's cemetery, in Mokena.

RECORD CROWD AT SO. COOK CO. 4-H FAIR

The South Cook County 4-H fair which was held in Memorial Park at Tinley Park last Friday, Saturday and Sunday, drew record crowds from all over this area. Each succeeding year the fair grows larger, an indication of the fine esteem in which these 4-H clubs are held. Fine weather prevailed throughout the entire occasion, adding considerably to the enjoyment of well prepared program and interesting exhibits.

Climaxing the festivities Sunday night was the crowning of the 4-H king and queen. Joe Halper, a member of the Tinley Hustler 4-H club was crowned king, and Gloria Bettenhausen, of the Cloverbelles 4-H club was crowned queen.

The following were grand champion winners: Dairy division, Richard Lorenz, Rich-Brem 4-H club; Beef division, Warren Schultz, Tinley Hustlers 4-H club; Poultry division, Sharon Schultz, Tinley Hustlers 4-H club; Rabbit division, Michael Cure, Worthwhile 4-H club.

Home garden, Henry Burmeister, Worthwhile 4-H club. Commercial garden, Neil Hoekstra, Worthwhile 4-H club. Crops division, Warren Schultz, Tinley Hustler 4-H club. Sheep division, Rich-Brem 4-H club. Swine division, Russell Reichert, Bloom Aggies 4-H club.

Dairy Showmanship: 1st, Donald Lorenz, Rich-Brem 4-H club; 2nd, Richard Lorenz, Rich-Brem 4-H club; 3rd, Ronald Kollman, Rich-Brem 4-H club. Plowing Contest: 1st, Ronald Kollman, Rich-Brem 4-H club; 2nd, Marvin Kampe, Rich-Brem 4-H club; 3rd, Willard Meyer, Rich-Brem 4-H club; 4th, Richard Lorenz, Rich-Brem 4-H club; 5th, Edw. Mrosek, Orland Boys 4-H club; 6th, Roger Albers, Rich-Brem 4-H club; 7th, Walter Bernard, Orland Boys 4-H club; 8th, Russell Reichert, Bloom Aggies 4-H club; 9th, LeRoy Aggen, Orland Boys 4-H club; 10th, Wayne Blume, Rich-Brem 4-H club; 11th, Darrell Erickson, Orland Boys 4-H club; 12th, Lawrence Kampe, Rich-Brem 4-H club.

ICE CREAM SOCIAL

Christ Episcopal church of New Lenox will sponsor their annual ice cream social, to be held on the church lawn Sunday, August 30, starting at 5 p.m. In case of rain the affair will be held indoors.

Hot dogs, coffee, pop and ice cream and home made cakes and pies will be served. There will also be games, and a fish pond. Everyone is invited to attend.

Village Players To Give Tryouts For New Play

Announcement has been made that tryouts will be held for the fall play of the Mokena Village Players to be held October 24 and 25 in the Mokena school gym. Those desiring to take part in the play are requested to come to the tryouts this evening, August 27, at 7:30 o'clock in the home of Mrs. George Bills, in Mokena.

LINCOLN-WAY BUDGET OPEN TO INSPECTION

At the last regular meeting of the Board of Education for the Lincoln-Way community high school, the tentative budget was adopted for the ensuing fiscal year. This budget will be available for public inspection at the school board office in New Lenox. The public hearing on this budget will be held at the graduation in Manhattan on Tuesday night, September 15, at 8 o'clock.

The two principal items in the budget provide for the expenditures to the contractors for the completion of the building and the payment of the tuition and the various high schools, where the students have been attending. The estimated building costs for the present fiscal year were fixed at \$1,096,744.49, which included the amount set aside for the purchase of the permanent equipment. The tuition figure amounted to a total of \$350,457.61, which included \$25,000 due for the 1951-52 school year, \$138,037.6 for the past school year, and \$140,000 for the coming school year. This will leave a deficit in the educational fund of about \$98,000, at the end of the fiscal year on June 30, 1954, however, \$163,000 was due at the end of the last fiscal year, on June 30, 1953.

Superintendent Chapman had a conference this past week with all of the representatives of the school district, at which time the budget was carefully inspected. All of these representatives approved the various items in the budget, and were well pleased that the tax rate would remain about the same for the next year. There will be only a slight increase in this rate probably not over 5c. The exact amount cannot be determined until all of the assessed valuation lists have been completed.

The total tuition bill last year for all students residing in School District No. 210 amounted to \$138,037.61. The actual rate per student is based on the per capita cost of all students in attendance at the various high schools where these pupils are enrolled. These separate bills are as follows: Peotone had 11 students at \$494.61, and a total of \$7,305.39. Bloom Township high school had 43 pupils enrolled at a cost of \$343.79 each, and making a total claim of \$13,100.13. The Joliet Township high school's tuition rate was \$436.15, with 273 students enrolled, making a total of \$114,091.19.

A few of the above mentioned students were not enrolled for the entire term, consequently, their tuition was based only on the actual time in attendance.

Several inquiries have been received relative to the various firms and contractors who are erecting the new Lincoln-Way community high school, along with the amounts of their contracts. The Architects firm of Childs & Smith of Chicago was employed in the beginning to design the building and supervise its construction. The standard fee of 6% is charged, which provides for all of the necessary supervision while the work is in progress. Mr. Charles Morrow of Chicago, is the building superintendent, and is on the job every day. The architects have received a total of \$49,676.59 up to the present time, and will receive \$13,755.23 when the building is completed, or as the work progresses.

All legal work necessary in the beginning, for the approval and sale of the school bonds, was handled by Attorney Dale G. Nicholson of Joliet, and the law firm of Chapman & Cutler in Chicago. This latter firm has approved most of the school bond issues in Illinois, before the different bond companies will submit bids on the school bonds. Mr. Nicholson is also the school attorney for the Elementary Board of Education in Joliet, as well as being employed by District No. 210, since its organization.

The other contracts and contractors are as follows: General contract, Robert R. Regan Co. of Joliet, \$695,468.19. Heating & Ventilating, Borg Inc. of Chicago 105,307.00. Wiring & Fixtures, Hoffman Electric Co. of Chicago 106,795.35. Asphalt Tile, C. E. Korschgard Co. of Chicago 5,522.48. Plumbing, A. J. Lowe & Son of Lyons 97,453.83. Painting, National Decorating Service of Chicago 9,825.20. Earth Moving, Brown & Lambrecht of Frankfort 20,880.00.

Specifications will soon be sent out for bidders on all of the equipment to be purchased for the new school.

Many Fine Attractions, Including Fireworks; To Award New Chrysler

A Boy Prays For A Horse and His Prayer is Answered

Louis Akers, 8½ years old, has had his prayers answered in the form of a horse. For a long time Louis had an earnest desire, to own a horse, and he prayed for a nice horse every night before going to bed. About three weeks ago his prayers were answered when his parents were able to get the kind of a horse best suited for him.

Louis lives with his parents, Mr. and Mrs. Ed Akers and sister, Mary, 16, at Woodland Circle, a subdivision south of Mokena, on Wolf road. They moved from Chicago two and a half years ago to Park Forest, and a

News-Bulletin One-Minute Polaroid Photo

short time ago moved to Woodland Circle. Before coming to Mokena, Louis had his heart set on a horse, any kind, any color, just so it was a horse. This thought was uppermost in his mind all the time, and he prayed for its realization every night.

His joy was unbounded when his parents, after getting the horse home, called him to see it. There in the yard was his beautiful black, gentle horse, all saddled and ready to ride. Louis immediately named it "Shadow" for reasons known only to himself.

This was the first time the Akers were in a position to own a horse, as there is an acre of land adjoining their house, which is the R. H. Carpenter home. This home was bought by the Akers family, who moved in early in July.

Louis was so delighted with his black horse that he wanted to come to the newspaper office and tell all about it. He was still more delighted when he was told his picture would be taken sitting on his horse, and that it would appear in the paper. The picture shows Louis astride his horse with his sister and a companion.

All of the Akers are very happy in their new home in Mokena. It is just what they have been looking for for a number of years. Mr. Akers is with the public relations firm of Ernest L. Klein, in Chicago.

Merlyn Larson Of Mokena to Wed

Mr. and Mrs. Morris Larson of Mokena are announcing the engagement and approaching marriage of their daughter Merlyn to Mr. Wayne Cundiff, who makes his home with his aunt, Mrs. Leonard Cundiff, at 320 North Hickory street, Joliet.

The couple will exchange nuptial vows at a 7 o'clock candlelight ceremony the evening of Sept. 19th in St. John's Evangelical and Reformed church in Mokena.

The Rev. William Riemann will officiate. All relatives and friends are invited to attend both the ceremony and reception to be held in the VFW hall, Mokena.

Miss Larson is employed at the Rock Island in Chicago. Mr. Cundiff is an employee of the U. S. Rubber Co.

The various class rooms and special departments. Mr. Paul LaVinn, of Lockport, was the first instructor employed on the faculty for the new high school. He will be the head coach in basketball, and one of the spring sports, and director of the boys' physical education program. He will also assist the football coach with the freshmen-sophomore team. In addition he will be assigned two or three classes in either biology or social studies.

Mr. LaVinn has been a successful athletic coach for several years. He graduated from LaCrosse State Teachers college, and received his masters degree from the University of Wisconsin. While attending Wisconsin he taught some of their physical education classes. After graduation he coached four years at Upper Iowa University, three years as athletic director and coach at Carthage College, and three years in the same capacity at Eureka College. The past year Mr. LaVinn was the Athletic Director and Head Coach of the major sports in the Lockport High School. He has taken a coaching position for the ensuing year at Forrest, but intends to move back to this area next summer.

The Annual Fall Festival of the Tinley Park Recreation commission promises to bring people from great distances to Tinley Park over the Labor Day weekend. The many feature attractions to be presented is creating much interest in the festival. Heading the list will be the awarding of the Chrysler New Yorker on Monday night, the beautiful display of fireworks, which promises to be better than ever, the aerial act which is presented each day and promises to be a most thrilling and exciting act, taking place more than 100 feet above the ground, the display of services and merchandise and the interesting games with some of the most outstanding merchandise ever presented at a festival.

Committee chairmen are now busy organizing their committees and getting workers to handle the crowds expected. Those who wish to volunteer their help at the festival are asked to contact Richard Nebel, president of the Recreation Commission.

This festival is a success only because of the support of all the people of Tinley Park. Here is a living example of what community cooperation and spirit can do to bring to the community advantages in recreation and recreational facilities. This has been proven in the past as everyone pitches in to help make this a successful festival. Again this year man power is needed to carry out the tradition of a community of people working together for the benefit of all.

The Recreation commission met Wednesday evening and received bids for work and material for leveling Memorial park. No definite action was taken in accepting a bid since funds from the festival are needed for the completion of this work. As soon as the reports on funds are returned from the Festival committee, work on the park will begin.

The Recreation commission is grateful to the Tinley Park Lion club for furnishing the man power to clean up and paint the playground equipment at Memorial park. The commission furnished the material and the Lions club furnished the man power. Another example of community cooperation.

LET CONTRACT FOR HIGHWAY RESURFACING

The Illinois Division of Highways awarded Wednesday, August 19, road contract to the Crown Rock Asphalt Co. for resurfacing 3.69 miles on U. S. 30 from the mile west of New Lenox to 1½ miles east of Frankfort, resurfacing on U. S. 6 from the east limits of Joliet to the Cook-Wolf county line, resurfacing on Rt. 4 in Elwood and also on Illinois 7 and 6 at the intersection of Wolf road and 159th street, and 2640 feet west of Wolf road on 143rd st.

The Crown Rock Asphalt Co. were low bidders on this project having made a bid of \$151,456.

Robert Brock of New Lenox, to Wed Joliet Girl Oct. 10

Robert E. Brock, 304 Wilcox street, Joliet, formerly of New Lenox will be married to Miss Joan Ann Kostelz in 10:30 o'clock mass on the morning of October 10, in the Cathedral of St. Raymond, Joliet. Rev. Richard F. Kostelz, brother of the future bride, will perform the ceremony.

Mr. Brock is the son of Mr. and Mrs. John Brock, who reside on their farm on Maple road, two miles north of New Lenox, before moving to their new home in Santa Cruz, Calif. The Brocks are well known in New Lenox.

No invitations have been issued, but all relatives and friends are invited to attend both the ceremony and the reception, which is to be held from 4 until 6 p.m. at the Knights of Columbus home, 417 Taylor st.

Mr. Brock was a graduate of Joliet Catholic high school, and is now employed with Sears Roebuck & Co. During World War II he served with the army in Italy.

Miss Kostelz is a member of the faculty of Troy Community Consolidated school, where she served as principal the past year. She graduated from St. Francis academy and received her bachelor's degree from the college of St. Francis.

BAKERY SALE

Group two of the WSOS of the Mokena Methodist church will conduct a home made bakery sale in the Cooper & Hostetter garage in Mokena, Saturday, August 29 starting at 2 p.m. Mrs. John Balaz is chairman of the sale.

Great Books Group Offers Adult Study

The Chicago Committee for the Great Books announces completion of plans to offer a one-year full tuition scholarship to the "Basic Program of Liberal Education for Adults" to be given two evenings a week starting in September of this year at University College, 19 South La Salle street.

According to Walter Kester 17950 Sayre ave., Tinley Park 2290, Natalie Johnson, R. 1, Tinley Park, Louis Fanell, 17020 Elm Lane Drive, Tinley Park, members of the Chicago Committee for The Great Books, any adult in the Chicago Area is eligible to apply for the scholarship. There are no formal educational requirements and it is not necessary to be a member of a Great Books Discussion Group.

Application forms may be obtained by contacting any Great Books Discussion Group leader, or the Chicago representative, Miss Natalie Wells, 59 East Montrose street, Dearborn 2-5870 or Galway Kinnell, University College, 19 South LaSalle street, Dearborn 2-7245.

WM. KOERNER DIES AT 71 IN FRANKFORT

William F. Koerner, 71, well known Frankfort citizen, died in his home in Frankfort Friday, August 21, following an illness of about two months.

Mr. Koerner was born in Green Garden township September 3, 1881, the son of Henry and Anna Koerner. He was united in marriage June 2, 1907 with Miss Lena Konow of Chicago.

They immediately went to house keeping in Frankfort, where they have lived ever since. For many years Mr. Koerner was delivery man for the Standard Oil Co. and made many friends throughout this territory in which his route took him. For the past four years he was for man in the rubber division of the Phoenix Mfg. Co. in Joliet.

Surviving, besides his wife, are two daughters, (Dorothy, Mrs. John Scheidt, of Joliet, and Marie), Mrs. Herman Weichbrodt, Jr. of Frankfort, two sons Roy of Joliet and Lester, of New Lenox, one brother Louis, of Joliet, nine grand children, and one great grandchild.

Funeral services were held Tuesday afternoon in St. Peter's Evangelical and Reformed church in Frankfort, with the pastor, Rev. Erich Bizer officiating. Burial was in Pleasant Hills cemetery.

To Open 5 and 10 Store in New Lenox

Mr. and Mrs. Charles Kerr will open a new business in New Lenox called "The What-Not Store" a variety and 5-10 combination. The foundation for the store a 24x34, is being laid this week on Church street, south of the Fire Station. The Kerrs hope to open for business on October 15th.

HIGH PRODUCTION COW

With 12,374 pounds of milk and 476 pounds of butterfat to her credit, Peggy Carnation Sir Bessie, a registered Holstein-Friesian cow owned by John Y. Parker, Lockport, has completed a 350 day production test in official Herd Improvement Registry.

She was milked 2 times daily and was 4 years 10 months of age when she began her testin period. Her record averages approximately 17 quarts of milk daily for the period covered by her test.

Testing was supervised by University of Illinois, in cooperation with the Holstein-Friesian Association of America.

Mrs. Kate Lankenau Dies Suddenly at Home in Frankfort

Mrs. Kate Lankenau, 84, a resident of Frankfort for 54 years, died suddenly in her home Wednesday noon, August 26. For many years Mrs. Lankenau was confined to her wheel chair, and although she had not complained of late, her death was unexpected.

She was born in Bremen township and lived with her daughter, Mrs. Herbert Lambrecht, (Hilda), Mrs. Henry Breident (Lulu), Mrs. Edward Warning, (Elsa), and Mrs. Fred Kohlhaugen, (Beulah). Also one son Floyd who lives in Dearborn, Michigan, 7 grand children and six great grandchildren. Her husband, Gerhard, died in 1934.

Friends may call at the home after 6 p.m. Friday. Funeral services will be held Saturday afternoon at 2 o'clock in St. Peter's Evangelical and Reformed church, with Rev. Erich Bizer officiating. Burial will be in Pleasant Hill cemetery.

TINLEY FIRE DEPARTMENT GETS NEW TRUCK WITH FEDERAL AID

Orchard Hill Farm Kindergarten Ready To Open September 8

"Ginger" the horse and "Belinda" the cow are looking forward to their carrots and sugar lumps with the opening of the seventh year at Orchard Hill Farm kindergarten at 167th and Cicero ave. Children from Tinley Park and Frankfort along with others in the surrounding area attend this unique school to learn of the world around them. Their activities include monthly trips to the local fire department, round house, postoffice, the municipal airport, after which they build their own versions of the things they have studied, such as a train or fire engine.

Because of the farm atmosphere at the school, the children have many privileges, such as sleigh rides or watching the annual baby calf grow.

This school has attracted local and national interest thru its fine program and unusual opportunities. Mrs. Leslie Johnson, the director, will ring the old school bell to open classes on Tuesday Sept. 8. Mrs. Donald Boston, Mrs. Dick Wille Jr. and Mrs. Wilbert Mager are teachers from Tinley Park. School bus transportation is provided. Mrs. Johnson can be reached at KE 4-113 for further information.

New Lenox Public School Supt. Sends Circular Letter

John Oster, superintendent of New Lenox public schools, has sent a letter to all parents of children who are entering the schools this fall. The letter contains a reminder that if the child is starting school for the first time, or if he or she is entering the fifth grade the Illinois state law requires a physical and dental examination. Also, if the child is starting school for the first time a birth certificate must be shown.

The letter points out that children who have reached the age of five on or before December 1, 1953, may enter kindergarten which meets in the Oakview school only for a day session.

The school day begins at 9 o'clock and ends at 3:30, except for the younger children, who are dismissed at 3:00.

"An important development of the last few weeks, the letter states, has been the annexation of the Gougar school to our district. Per agreement before annexation, the Board will provide bus transportation for the pupils from that area."

Bizers to Observe 35th Wedding Anniv. With Open House

Rev. and Mrs. Erich G. Bizer of Frankfort, will observe their 35th wedding anniversary Aug. 29. They will observe this anniversary on Sunday, August 30 with Open House from 2 to 4 in the afternoon and from 7 to 10 in the evening. The wives of the board members will be in charge. Rev. Bizer has been pastor of St. Peter's Evangelical and Reformed church at Frankfort for the last 10½ years.

Wiener Roast For Y. P. L. Members

A wiener roast sponsored by St. John's Y. P. L. will be given for members who have graduated from high school, Saturday August 29 at 7 p.m. in the George Bills home in Mokena. The wiener roast is being given by members of the league who have not yet graduated.

Members who plan to attend should bring their own silver ware, Good food and a good time is in store for all who come.

MOKENA BOY TO BE RADIO OPERATOR

Pvt. Roy H. Johnson, son of Mr. and Mrs. John H. Johnson, 257 North Wolf Road, Mokena, has been selected to attend the 35th Armored Division's Radio Operators school at Camp Chaffee, Ark.

During the 12 week course, Pvt. Johnson will receive instruction in the operation of various Signal Corps radios used by troops in the field as well as those mounted on military vehicles. He will also receive extensive training in the receiving and transmitting of messages with the International Morse Code System.

Almost 11% of the entire area of the United States is underlain with coal, giving the nation an almost inexhaustible source of fuel.

A public law is now dealing with classes rather than individuals.

Congressional salaries are subject to income taxes.

Congress has declared war eleven times.

The Tinley Park volunteer fire department has purchased a new R-196 International Harvester truck, which was delivered August 20. The chassis is now at the W. S. Darley Co., who will install the fire pump, booster tank and body equipment.

The new fire engine will be a grade A 750 gallon per minute capacity pumper, carrying 750 gallons of water in the booster tank and 1000 feet of two and a half inch hose and other equipment. The equipment will be ready for service within 90 days.

Part of the cost was allotted by the Federal Civilian Defense Administration. The balance is to be made up by the local fire fighters with the assistance of the people in Tinley Park and surrounding areas.

A civil defense organization was set up in Tinley Park two years ago, and last November they applied to General Homer, State Director of Civilian Defense in Chicago for federal aid towards the purchase of the fire truck. This aid has now come through.

The Tinley Park fire department will now be subject to call for aid by the Civilian Defense Director in case of disaster in any city in the district, and may be called upon to go anywhere even Chicago within a radius of 100 miles, where ever the Defense Director might send them.

The department now has three pumps, an emergency truck, and an inhalator. Albert Elmore is Civilian Defense director at Tinley Park.

The Tinley village board is now working on a project to erect some building in which to house this new truck, which is quite large. Only trained personnel will operate this truck, or any of the other fire equipment.

Edmond Moss, the efficient fire chief who has filled this office for a number of years, states that the fire department has built up a large fund, but it is not sufficient to cover all the balance of this new truck. The new truck cost \$12,500. \$5,500 has been allotted towards its purchase by the Civil Defense Administration, leaving a balance of \$7,000. Plans are being made to raise the amount needed to pay off the balance in a short time through dances and other projects the firemen put on from time to time.

The Tinley Park fire department is the only one in this area equipped with this kind of modern fire truck. They are congratulated for their far-sightedness and willingness to lend their aid in time of need. The new equipment will afford Tinley Park and surrounding area excellent fire protection, better than they have ever had before.

50TH ANNUAL WILL CO. FAIR AT PEOTONE

The thousands of farm and city families which attend the Will County fair, to be sponsored for the 50th consecutive year on the fairgrounds in Peotone, will see top notch entertainment at the fair. The event will be held Friday, Saturday and Sunday, August 28, 29 and 30 on the fairgrounds in Peotone.

Huge Lutheran Hour Rally Set for Sept. 27 Chicago Stadium

Plans for a gigantic Lutheran Hour rally, to be held Sunday, September 27, 1953, in the Chicago Stadium, have just been made public.

The announcement was made by Louis A. Menking, president of the Lutheran Laymen's League of Northern Illinois, promoters of the rally.

This rally will inaugurate the 21st consecutive season of this international broadcast, known officially as "Bringing Christ to the Nations." It will introduce the Rev. Dr. Lawrence Acker of Omaha, Neb., the new Lutheran Hour speaker.

Main feature of the Chicago rally will be an elaborate musical pageant with massed choruses and trumpeters.

The rally will be sponsored by 258 Lutheran churches in Northern Illinois. The announcement was made early in order that congregations may be reminded of the date and not schedule other conflicting activities.

Try Out New Road Construction Sign

A new style of road construction sign which seeks to ease the motorist's irritation is being tried out this summer on Cook county highway jobs.

One sign reads, "Another Gas Tax Improvement." On another board the wording is, "Sorry to Inconvenience You During This Resurfacing." Both have brought favorable comment to President William N. Erickson of the county board and the county highway department. It is stated in the August issue of Cook County Highways.

"Courtesy begets courtesy," says an editorial in the magazine. "Motorists who have had an uplift from the signs are in better humor towards other motorists. This is the kind of chain reaction that can save the world."

The designation of the Caldwell ave. bridge over Edens expressway as the most beautiful steel bridge of its class erected in 1950 is treated in an article illustrated with photographs of the bridge and the plaque which was unveiled July

21. The bridge, it is noted, is one of 81 designed and constructed by the county since 1947.

Another article suggests that many Chicago residents are not aware that much of the street resurfacing inside the city is done by the county. At the end of this season, more than 125 miles of city streets will have been resurfaced with "black top" or paved with concrete since 1946, the article states.

Built-in Drawers

FOR easier housekeeping, a battery of shallow built-in drawers may be located in any entrance-wide closet. With so many drawers, it's simple to classify the linens and keep them neatly pressed.

Some drawers may be assigned to pillow cases and others to sheets, guest towels, face cloths or other items. If the closet is near the dining room, the drawers can be used similarly for table and kitchen linens.

As illustrated, the drawers are held in place and operate on two side walls made of lumber. Each slides between 1 by 4-inch wood pieces screwed horizontally on the uprights.

The drawers are made by nailing together 1 by 2-inch wood strips and attaching a bottom of Masonite 3/16" Tempered Presdwood. The dust-protectors on the front also serve as pulls. They, too, are Presdwood, a smooth, splinter-free material widely used in furniture.

A detailed plan for this built-in linen closet may be obtained free by writing Home Service Bureau, Suite 2039, 111 West Washington St., Chicago 2, Ill., and requesting free plan No. AE-269.

IT TAKES MORE THAN TALENT

Alice Canfield, one of Hollywood's leading writers, has just written a book in collaboration with producer-director Mervyn LeRoy. Mr. LeRoy has directed such M-G-M hits as Random Harvest, Quo Vadis and Latin Lovers. The book is titled: It Takes More Than Talent and is published by Alfred A. Knopf, Inc. If you want to be a file clerk in Hollywood or a movie star, this is the book for you. Critics have given it rave notices all over the country.

Coal is essential in the production of pig iron and steel, and the current 20 million ton expansion of steel capacity will involve an expanded demand for coal.

Farm Progress Show Oct. 2 on Earl Bass Farm Near Danville

Farmers will mark the tremendous technical advances agriculture has made in the past quarter of a century with a Farm Progress Show Oct. 2.

The all-day event will be held on the farm of Earl Bass near Armstrong in Vermilion county, 25 miles northwest of Danville.

It is being sponsored by Prairie Farmer, WLS, the extension service, soil conservation service, and a number of local organizations.

The day will be devoted to highlighting new and modern equipment for planting, cultivating, harvesting, handling, storing and feeding corn and other farm crops.

There will be a display of new and experimental machinery, including tools that have promise but may not be in wide use for

10 years or more. These machines will either be performing or on exhibit throughout the day.

One of the top events of the day for young people will be a Junior Land Judging Contest in which teams from Illinois, Indiana, Wisconsin, and Michigan will compete against each other in judging the capacity and value of land.

Soil conservation scientists have selected four locations on the Bass farm which will give a wide variety of soils to be studied and scored.

A section for women will show them the latest exhibits of new home equipment with education and entertainment features being conducted throughout the day.

High in the interest of corn-belt farmers will be 100 acres of corn growing demonstrations. Corn in these demonstration plots will show the results of three rates of nitrogen applications, applied at two planting rates by two different methods on a large scale.

Fifteen different hybrids can

be compared growing side by side, and three methods of weed control by spraying will be shown. Two of the weedkillers are new.

In small demonstration plots you will see examples of the once over mulch planting technique, wide row spacing with interplanted legumes, and corn growing on plots treated with a soil conditioner.

Another plot which will be of wide interest is one acre on which an effort will be made to get the highest possible corn production, with a goal of 200 bushels or more.

Top WLS National Barn Dance performers will be on hand all day to entertain and visit with their fans. Radio programs will be broadcast directly from the show.

The committee making program plans and arrangements for the Farm Progress Day includes O. W. Hertz, Vermilion county farm adviser, co-chairman; Prairie Farmer Editor Paul C. Johnson, co-chairman; George Kinder, Soil Conservation Service farm planner; Jonah H. Conrad, SCS district chairman; Merle Jeffers, Farm Bureau representative and others.

Anti-enzyme, New Help Against Tooth Decay

A new and effective instrument to fight man's most prevalent disease—tooth decay, has now been discovered, according to a report in the latest issue of the "Journal of Dental Research." The study was made by chemical scientists at a mid-Western university and accents the use of an ingredient to prevent the formation of decay acids, which most authorities agree is the major cause of tooth decay.

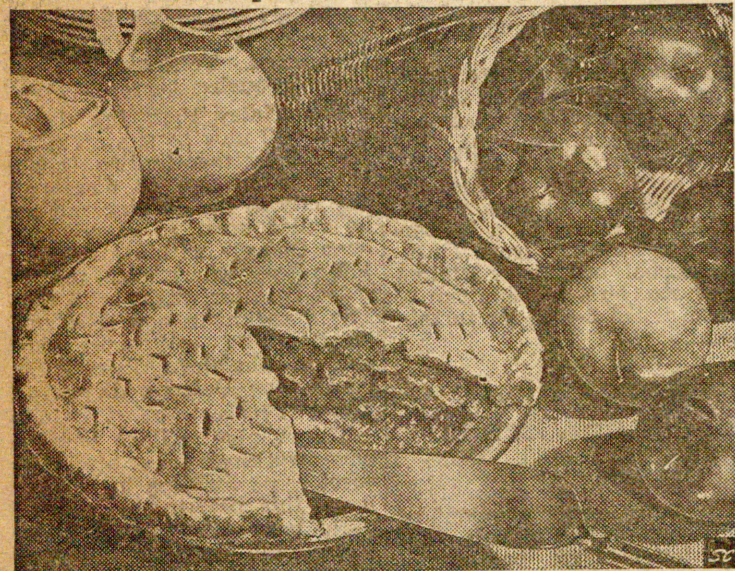

This new helper against man's most prevalent disease is called an anti-enzyme, or enzyme inhibitor, and its good work is provable on the Acidometer, a machine that tests acidity on the tooth surface.

Enzymes are a protein substance that accelerate chemical changes. Decay acids are immediately formed when the sugar and starches in the food we eat are deposited on the teeth and are attacked by the enzymes. These acids flow against the enamel or are absorbed by the plaque, the spongy film that surrounds the tooth. Next stop—dental cavity.

Almost three years went into the reported study and search for an ingredient that would stop the enzyme from doing its work. Of 381 compounds, 10 were effective and only two proved completely satisfactory, in being harmless, tasteless, colorless, odorless and useable in a dentifrice.

America's immense reserves of coal and lignite provide the main reliance in the long-term view for our supply of solid, liquid, and gaseous fuels.

New Recipe — Cheese Apple Pie

Apple Pie with Cheese. Doesn't the mere mention of it make your mouth water?

But have you heard about Apple Pie with the cheese baked right in? It's delicious! The recipe was created by Winifred S. Carter who directs the information service for Procter & Gamble, and it's hard to believe that anything that tastes so good could be so simple to make. Particularly the pie crust. With Mrs. Carter's recipe you can't miss. It's light and flaky every time. So here it is. Try it.

CHEESE APPLE PIE

Makes one 9" Pie

- Pastr:**
- 3/4 cup Crisco
 - 2-1/4 cups sifted flour
 - 1 teaspoon salt
 - 5 tablespoons water
 - 1/2 cup grated cheese
- Mix flour, salt and cheese in a bowl. Cut Crisco into flour with knives, fork or pastry blender until the pieces are the size of small peas.
 - Blend 1/3 cup of the Crisco-flour mixture with the water. Add this to the remaining Crisco-flour mixture. Mix and shape into ball. Divide the dough into two parts.
 - Place one portion on a pastry canvas or a board which has been dusted with flour. Roll with short, light strokes from the center to the edges to keep the dough circular in shape.
 - Place crust in a pie plate, trim the edges with a knife or scissors, even with the edges of the pie plate. Add apple filling.
 - Roll the other half of the dough. Cut or prick small steam vents. Place on the filled pie, and trim the edges 1/2" beyond edge of plate. Fold edge under and flute with fingers. Bake in a hot oven (425°F.) about 40 minutes, or until brown.

Apple Filling:

- 5 cups pared, sliced apples
- 1/2 cup grated cheese
- 3/4 cup sugar
- 1 tablespoon margarine or butter

Mix apples with sugar and cheese. Place in pastry-lined pie plate. Dot with butter or margarine before adding top crust.

of her daughter Donna. Games were played in the afternoon under the direction of Bonnie Bruce and Marilyn Ambuehl. Refreshments were served and each received favors and prizes for the games. Donna received many lovely gifts. Those present were Marilyn Ambuehl, Cindy Lou Robinson, Diane Thomas, Diane Muehler, Carol Chisholm, Patsy Badten, Judy Simes, David Howell, Dale Westlund, Jimmy and Tommy Everhart, Terry Hearn and Barbara, Bonnie and Buster Bruce.

Mr. and Mrs. Jake Brossman of Hollywood, Fla. and Mr. and Mrs. Elbert Kailer of Downers Grove were guests Sunday afternoon of their cousin Mrs. Margaret Semmler and family. Other guests were Theo. Oestreich of Joliet and Mr. and Mrs. W. E. Houchin.

Mr. and Mrs. Ray Westlund and Mr. and Mrs. Robert Peckens of Chicago enjoyed a week end excursion train trip to Niagara Falls given by the Nickel Plate road, leaving Chicago Friday evening and returning Sunday noon.

Mr. and Mrs. Hugo Niethammer, Mrs. Harold Spiess, and Mr. and Mrs. Donald Reiter of Joliet motored to the Chicago-Land music festival Saturday evening. Following the festival they stopped at the home of Mrs. Ruth Schneider in Chicago, who also attended the festival, and observed the birthday of Mrs. Niethammer. Included in the refreshments was a beautiful birthday cake.

Mr. and Mrs. Edwin Schmidt entertained their nephew, Cpl. Marvin Homering at dinner in their home Monday evening. He will return today to his camp at El Toro, Santa Anna, Calif. He expects to receive his discharge from the service in December.

Miss Elaine Spiess entertained her pinocle club in her home last Tuesday evening. Prize winners were Mrs. Ruth Horras, Clarabelle Sipple and Jean Jungles. Refreshments were served. Joan Cowhig, Ft. Thomas, Ky. and Carol Steele, Atlanta, Ga., were entertained by Doris Cummings and Barbara Geuther when the former were visiting in Mokena.

Carol Fassett returned home Friday from a vacation spent at a camp near Plymouth, Ind.

Mr. and Mrs. C. H. Farnham of Urbana visited the Milton Geuthers over the weekend. Mr. Farnham is professor of Agronomy at the University of Illinois and Mrs. Farnham is on the Home Economics research staff, at the same school.

Mrs. George Steele and daughters, Carol, Ginger and Peggy who have been visiting friends in Mokena left Sunday for their home in Atlanta, Ga. Carol, who was graduated from the Mokena grade school when they lived here, will enter the University of Tennessee to major in music.

LINCOLN ESTATES
 Mrs. James Dixon
 Telephone Frankfort 4422

Guests of Mr. and Mrs. W. Carter Sunday were Mr. and Mrs. Dean Brodt of Chicago. Mr. and Mrs. E. R. Zielke, Mrs. John Evers and Mr. and Mrs. Joseph Evers and children of Chicago were guests of Mr. and Mrs. Clint Edmonson Sunday.

The executive board of the PTA of the Ann Rutledge school have sent invitations to their members and prospective members to attend a tea in the school Wednesday afternoon, Sept. 2 at 1 o'clock. This is for the purpose of meeting the teachers and neighbors. A social afternoon is planned.

Guests of Mr. and Mrs. R. Urbano and family Saturday evening were Mr. and Mrs. J. Larkens of Chicago. All enjoyed an outdoor barbecue.

Mr. and Mrs. G. Storm and family attended the Steger Furniture Factory picnic Sunday at Steger.

Donald and Gail Carter are enjoying a week's vacation at the home of their aunt and uncle Mr. and Mrs. L. N. Sanfletten at Des Plaines.

Dinner guests of Mr. and Mrs. R. Urbano Sunday were Phil Glaciers of Evergreen Park. Phil Hemmingsway of Detroit, Mich. spent Monday at the home of his sister, Mrs. R. Wheeler.

Miss Judith Wheeler celebrated her tenth birthday with a party at the home of her grandfather, A. G. Wheeler in West Chicago Sunday.

Mrs. P. Kluth and her guests Mr. and Mrs. M. Burke and family and Mrs. M. Maloney and Miss Mary Jamblicki enjoyed a barbecue in her back yard Sunday.

Mr. and Mrs. A. Swatek have returned from a trip to New York and Pennsylvania visiting a sister, Mr. and Mrs. G. Hamilton and enjoying an evening with friends in Virginia. Miss Joyce Swatek remained in New York with her uncle and family and will return next week.

BRIDE FETED

Contributed
 Thirty five guests from Harvey, Blue Island, Frankfort, Chicago, Chicago Heights, and Joliet met with two charming hostesses. Miss Audrey Nicholson, Donna Heilman in Lincoln Estates Thursday, August 13, to honor a recent bride, Mrs. Gloria Dwyer Harmon.

The petite and lovely bride groomed in lavender organza trimmed in rhinestone brilliants was surrounded by her many friends when she opened her many useful and beautiful gifts of linen, china, silver and kitchen ware, in the pink, white and green streamer festooned dining room. In this room later attractive and delicious refreshments were served to all guests.

The lovely young bride, daughter of Mr. and Mrs. James Dixon was married to Laverne Harmon, son of Mr. and Mrs. Fred Harmon of Lincoln Estates, July 26. The newlyweds will make their home in Frankfort.

Guests were Mrs. Fred Harmon, Patricia White, Mrs. Gordon Letts, Miss Donna Brown, Mrs. Geo. Walker, Mrs. Davidson, Miss Mary Spratt, Mrs. Boyden, Mrs. Wheeler, Pastor and Mrs. Contoise, Mrs. Thos. Vaughn, Caroline Osborne, Mrs. Doris ZumMallen, Mrs. Jean Smith, Mrs. Floyd Martin, Miss Shirley Heavener, Mrs. Freida Joyce, Mrs. Hazel Vaughn, Miss Marilyn Mankowski, Mrs. Ray Ott, Mrs. Carol Harmon, Mrs. Louella Tyler, Mrs. Jos. Machtemes, Mrs. Louise Tyler, Mrs. Clint Edmonson, Miss Nancy Boze, Audrey Aprile, Leneva Hermanek, Mrs. John Tyler and Mrs. Eileen Kluth.

the most valuable book you'll ever own

Books are the gateway to dreams. They tell you of far-off, exciting places you've never seen, they show you life as others have lived it—yet most of these books cost but a few dollars at your local book store. Your Harvey Federal Savings pass book costs you nothing, yet it is the most valuable book you'll ever own. This is the only book that can make dreams come true—it can make it possible for you to visit new places, it can improve your way of life. Its value is limited only by you, yourself. The more you save, the greater its value! Harvey Federal Savings helps make it even more valuable, because of the new, higher dividends that are added to your savings twice each year. Your savings are protected here, too—every account at Harvey Federal Savings is insured up to \$10,000. Come in and let us give you one of these books whose value can be priceless to you!

TINLEY PARK

Mr. and Mrs. Sylvester Vodnik, sons Jim and Bill returned last Tuesday from a tour of six states. They visited Mt. Rushmore, N. Dak., Glacier National park in Montana, Yellowstone National park and the Teton forest Wyoming; Rocky Mountain National park and Estes park in Colorado. Trout fishing was a great treat in Colorado and the trip was very exciting.

Mr. and Mrs. Knute Lovegreen, and a group of employees from his company, toured the State Penitentiary at Joliet, Friday night. It was very interesting to see the number of trades that the prisoners can learn, in very well equipped shops. The flower gardens are beautiful, all the work having been done by the prisoners.

Mr. and Mrs. H. J. McClean and their two daughters, of Chicago, Mr. and Mrs. L. Erickson and their two sons, and Mr. and Mrs. R. Lindberg and son, of Beverly Hills, were entertained at an outdoor dinner at the Knute Lovegreen home, Sunday. They also attended the 4H fair.

Mr. and Mrs. Christ Steinha-

gen and Arnold Medrow of Tinley Park, Miss Lillian Kay and Oliver Kay of Chicago, Mr. and Mrs. Audra Godwin of Chicago, and Mr. and Mrs. Walter Kay of Orland Park, enjoyed a put luck dinner at the Arnold home, Sunday.

Mrs. Joe Curtis left Friday afternoon to visit her son Ralph and family at Morehead City, N. C.

Word has been received from Ken Webster that he and his parents, Mr. and Mrs. Dallas Webster are vacationing at the highly recommended Sylva, Dale Dude ranch at Loveland, Colo. They left Tinley Park last Monday, and were uncertain as to their destination. They are enjoying ranch life immensely.

Mr. and Mrs. Glenn Tindall, sons Richard and Billy, left Saturday for their vacation at Rocky Mountain National park. Richard is a member of the Big Horn Advanced Hunters club, a group led by a ranger, and qualified to try some of the most difficult trails. They expect to be home by September 5.

Mr. and Mrs. Alvin Sippel are vacationing in the eastern states and visiting Niagara falls.

Mrs. Douglas Proctor and children spent a week in Tinley Park recently with her parents, Mr. and Mrs. John Funk, and her brother Robert and family.

Willard Fulton of Waukegan is visiting his brother, Clarence and sister Mrs. Ed. Henke.

Forty men of the Zion Lutheran church attended a ball game at the White Sox park, Tuesday evening. The brotherhood of the church sponsored the outing, and bus transportation was provided by them.

Mr. and Mrs. Don Boston and sons returned home Sunday from a month's vacation at Torch Lake, Michigan. Monday, Don entered Ingall's Memorial hospital for a physical check-up. He is expected to be released Sunday.

Edith Arnold entertained at a pot luck luncheon on the lawn of her home, Wednesday. Guests were Min Rice, Till Steinagen, Louise Brown, Freida Roth, Adele Pottberg, Louise Goessel, Gladys Roder, Adele Waldron, Leila Moss, Gertrude Jacobs, and Margaret Miller. They also celebrated Mrs. Arnold's birthday. Bunco was played in the afternoon.

Mr. and Mrs. Floris Beals and family left Friday for Denver, to visit her parents at Longmont, Colo. They will return by way of Terra Haute, Ind., her home town, planning to be home by Labor Day.

Mr. and Mrs. Donald Hollingshead are the proud parents of a son born August 20, in the Englewood hospital, Chicago. He weighed 7 pounds, 15 ounces and has been named Robert Nelson. He has been welcomed home by his three sisters.

Mr. and Mrs. Richard Douglas are happy to announce the birth of a baby girl, born August 19, in the McNeal hospital in Berwyn, Marsha Gail, as she will be known, weighed 6 pounds and is the granddaughter of Mr. and Mrs. Harry Douglas.

Mr. and Mrs. W. H. McLair moved to their newly purchased home at 17950 Ridgeland avenue from Chicago two weeks ago. They have five acres with their home which they enjoy

greatly. Mr. McLain is a chemist and physical science instructor at the Wilson Jr., college, 68th and Stewart. He has taught in the Chicago schools for the past 25 years.

Over night guests in the Ben Bettenhausen home last Tuesday, were Mr. and Mrs. Warren Bettenhausen, sons Gerald and Ronald of Jamestown, N. Dakota. Guests over the week end were Mr. and Mrs. Charles Deolazell and Mrs. Lizzie Ritz of North Royalton, Ohio. Miss Dorothy Brunner, sister of Mrs. Bettenhausen and a lady friend of New York City, also were visitors last week.

Rev. and Mrs. James Odom and family returned Saturday from a two weeks vacation. They visited her sister, Mr. and Mrs. Gene Lewten, at Exline, Iowa; spent two days at the Lake of the Ozarks; visited the Harry Turley family at Greenville, Ill. and the pastor's family, the Kelly Odoms at Lincoln. Rev. Odom also spent a day at the state fair.

Rev. and Mrs. W. O. Bodell stopped at the home of his daughter Mrs. Pat Carr, Sunday on their way home from California where they visited another daughter, Mr. and Mrs. Erik Karlsson of Kalamazoo, Mich., visited at the Carr's home last week, also.

Service-men's News

Sgt. and Mrs. Gene Swanson arrived in Tinley Park, August 3, from Miami, Fla., where Gene has been stationed. Mrs. Swanson joined him there a year ago. They have been visiting many friends here. As Gene has only four more months to serve, his wife is remaining here with her mother in Oak Park, Sunday evening.

A group of women from the Tinley Park Church of Christ drove to Cedar Lake Christian Assembly grounds Aug. 25 and assisted with the kitchen work.

Mrs. Albert McKee was hostess to the Fellowship of Christian Women of the Church of Christ in her home Aug. 20. Mrs. Edith Ross of Englewood led the group in the 2 1/2 hour study of the bible. Those desiring to join this group should attend their next meeting, Thursday afternoon, Sept. 3, at KE 2-4458 for transportation.

NEW LENOX
Dolores Anderson
Phone 3651

The New Lenox public schools will open Tuesday, September 8 with three new teachers, Mrs. Elizabeth Morrison of New Lenox will teach grades 3 and 4 in Oakview school replacing Mabel Wenger, who has accepted a position in the Joliet public schools, and Mr. Michael Kruck will teach 8th grade and also coach athletics in Haven school.

Last year's 8th grade teacher, Marie Knater, has accepted the principalship of a school on the Cook-Dupage County line.

Mrs. Evelyn Yahnke of Joliet has been engaged to teach first grade in Haven school, replacing Mrs. William Tweedy who has accepted a position in the Danville schools. Mrs. Yahnke has taught the lower grades for seven years in the Joliet school in Joliet and 1 year at Plainfield. Other teachers returning to New Lenox to teach this year are: Mrs. Marie Monge who will teach first grade at Oakview; Mrs. Ruth Mainwood, 2nd and 3rd grades at Oakview, and Mrs. Geneva Oster, kindergarten at Oakview. At Haven school will be Mrs. Helen Gullickson, 2nd and 3rd, Miss Helen Lange, 3rd and 4th, Miss Margaretta Davies, 5th, Mrs. Helen Holt, 6th, Mrs. Mary Bosson, 7th, Miss Kathleen Hoffman, speech, correctionist and Mr. W. H. Reed music supervisor, and John Oster, superintendent.

All fifth graders and up will go to Haven this year as there will be no fifth grade classes at Oakview. Approximately 20 students from the former Gougar district will come to New Lenox this year. On August 11 the County school trustees approved of the petition of the people in that district to be annexed to New Lenox school. Arrangements have been made for a bus to bring those children to New Lenox.

Miss Ann Archibald of New Lenox is one of two seniors from the College of St. Francis in Joliet who were chosen to represent the local college this week August 25-30, at a meeting of the National Federation of Catholic college students in Cleveland, Ohio.

Mrs. George Klausung, son Elmer and daughter Shanon motor ed to Bremen, Ind., to get her mother, Mrs. Anna Hagen who has been visiting her son Arthur and family for the past two weeks.

Mr. and Mrs. Edmund Knowles, Jr. entertained in their home August 10 honoring the first birthday anniversary of their small son Eddie. An informal evening was enjoyed and refreshments were served. The guests were Mr. and Mrs. Paul Bales, Harvey; Mr. and Mrs. Gillan, Manhattan; Mr. and Mrs. Wm. Knipple, Frankfort; Mr. and Mrs. Frank Kanne, Miss Florence Cruise, and Mr. and Mrs. Ed Knowles Sr. and family.

Mr. and Mrs. Clarence Gullickson and family have returned from Troy where they spent a week at the home of her sister Mr. and Mrs. Harold Dirst while the Dirst's vacationed in Minnesota.

Arthur Nelson will have charge of services at the Methodist church Sunday, August 30 in Rev. Miller's absence, and the Youth Fellowship group will have charge of the services Sept. 6th.

Lynette Gillette, and Merry Lee Collatz left Sunday for Ousterhaut lake at Grand Junction, Mich. where they will vacation this week with Lynette's aunt Mrs. Everett Pugh and family at their summer cottage.

Mr. and Mrs. Amos O. Bruns and Stanley and Mr. and Mrs. Sheldon Hauck and family are vacationing this week at Bass Lake, Ind.

Miss Helen Francis has returned to her home here after spending eight weeks with her sister, Mrs. Gerald Dutcher in Orinda, Calif., and Mrs. George Koeller in Gamaliel, Ark.

Mr. and Mrs. Harlow Jensen and sons, Mr. and Mrs. Ralph Swanson and Mr. and Mrs. Jack Batson and sons spent last week vacationing on Bass Lake, Ind.

Mr. and Mrs. Roy Pfeifer and family spent the past weekend at Bass Lake, Ind.

Rev. and Mrs. Ralph L. Miller and Mr. and Mrs. Clyde Townsend left Sunday for Lake Kabotomaga at Ray, Minn., where they will vacation for 2 weeks.

Dotie Jean Anderson returned home Wednesday from Goshorn Lake at Saugatuck, Mich. where she spent four weeks with her grandparents, Mr. and Mrs. A. W. Walsh. Dale and Don Alan Anderson went to Saugatuck Wednesday night where they will vacation with their grandparents until Labor Day.

Mr. and Mrs. William Heidrich, son Bill and daughter Norma have moved to their newly purchased home, the former Lawrence Barry place on Ogden road south of New Lenox. The Heidrichs formerly lived in the apartment over the Welsh Hardware store which is now being used by the Hardware store to store materials.

Mr. and Mrs. Earl Schroeder and daughters Lynn and Sharman returned Sunday from a two weeks vacation. They spent 10 days with friends in a cottage on Enterprise Lake, at Elcho, Wis. They left the cottage Thursday and spent the remainder of the week at the Wisconsin Dells.

Mr. and Mrs. O. V. Rowe and daughter Prudy have returned from Eagle River, Wis. where they enjoyed a two weeks vacation.

The following is the address of Ronald Gillette who is taking boot training for several weeks at Great Lakes. Ronald Gillette, S. R. 4381434, Co. 97, 103 BN, 10th Reg. USN T.C., Great Lakes Ill.

Ronald expects to be there without leave until November 3 and would like to hear from his friends.

Many New Lenox people attended the 4H club fair at Tinley Park this past weekend.

Mrs. Leo Waldvogel and son Billy are vacationing this week with her brother Mr. and Mrs. Fred Rositch and family in northern Michigan.

Mrs. Lloyd Berlin will be hostess to the New Lenox Garden club Thursday afternoon, September 3 in her home. Mrs. Leon Frey and Mrs. U. L. Henry will be co-hostesses. The program on "Club Arrangements" will be demonstrated by Mrs. Walter Houchin.

Emil Bernard returned Tuesday from a 10 day vacation spent with relatives at Springfield. While there he attended the Illinois State Fair.

Don Grund returned Monday from St. Joseph's hospital where he underwent an emergency appendectomy last week.

Mr. and Mrs. Roy Gorman attended the Gladioli festival at Mokena Sunday.

Worth W. Merritt is a medical patient in Silver Cross hospital.

Mr. and Mrs. Don Wennlund and family have returned from Chippewa Falls, Wis. where they vacationed for a week.

Mr. and Mrs. Edward L. Walsh left today for a 10 day vacation. They planned to drive up the Wisconsin side of the lake and cross into Michigan, over to Indian Lake where they will spend a few days with Mr. and Mrs. Walter Pfaff who are vacationing at a cottage there.

The Illinois State library has sent a new consignment of 200 children's books to the local library which are now on the shelves. These are all new books of recent children's publications and include some for all the ages.

Evans Drotts of Rockford was a guest over the weekend of Mr. and Mrs. Harvey Frick and Miss Joyce Frick.

Mrs. Margaret Carnahan was hostess to her pinocle club in her home August 19. Prizes were awarded to Mrs. Evelyn Penton, Mrs. Lois Marshall, Mrs. Sylvia Chesmore, and Mrs. Lois Mingler. Mrs. Fern Brown will entertain the group September 16.

Mr. and Mrs. George Redman and family have returned home from a vacation at Mammoth Cave, Ky.

Mr. and Mrs. O. V. Rowe and daughter Prudence have returned from a two weeks vacation spent at Eagle River, Wis. They spent the past weekend at Michigan City, Ind., with her sister Mrs. S. S. Holman and were joined there by their other daughter and husband, Mr. and Mrs. Robert McDougall of Niles, Mich.

Mr. and Mrs. Edwin Greenman, Jr. and family are moving to Munising, Mich. on Lake Superior this week. Mr. Greenman will be development engineer in charge of research for the Munising Paper company.

The sisters of St. Jude's Catholic school will be welcomed back at the annual pantry show-bear and tea sponsored by the Altar and Rosary society, next Sunday August 3, from 4 to 8 in the school hall. Father Gervais will present the prison choir from the Illinois state penitentiary.

Mr. and Mrs. Elmer Goldenstern and daughter have returned from a week's vacation on Long Lake in northern Wis.

The first PTA meeting of the new school term will be held Tuesday night Sept. 15 due to the fact that school begins on the regular meeting date, the second Tuesday. Regular meetings will be held here after on the second Tuesday of each month at 7:45. Mrs. James Roberson is publicity chairman for the organization this year.

Mr. and Mrs. Joseph Hartung and children vacationed a few days last week in Jackson, Mich. with her aunt and uncle Mr. and Mrs. Ray Osmus and daughter.

They went thru the Greenfield village at Dearborn, the Kellogg Mfg. Co. at Battle Creek, and Deer Forest at Coloma, Mich.

They attended the Gladioli festival at Mokena Friday and on Saturday attended the Music Festival in Chicago.

Helen Ann Gullickson has returned from Romeo where she spent a few days with Mr. and Mrs. Everett Gullickson and daughters.

Mr. and Mrs. Charles Kerr and son were dinner guests Thursday evening of Mr. and Mrs. Ted Flint in Joliet.

Twenty attended the family gathering Sunday at the home of Mr. and Mrs. Earl Schroeder. Dinner was served at one o'clock. The afternoon was spent informally and supper was served at 6 o'clock. Guests were: Mr. and Mrs. Frank Kodat, and Mrs. Amelia Sipple of Joliet, Henry and Lloyd Eilers of Peotone; Mr. and Mrs. Harold Lorenzen and son of Peotone; Mrs. Sophia Bettenhausen and Miss Delphine Bettenhausen of Chicago, Mr. and Mrs. Harold Scheer, Joyce and Barbara and Mrs. Freda Schroeder of Mokena, and Mr. and Mrs. Earl Schroeder and

daughters Lynn, Sharman and Bonnie.

Mr. and Mrs. W. H. Reed are parents of a 6 lb. 10 oz. son born August 22 at Silver Cross hospital. The new baby has been named William Houston. Mrs. Reed is the former Audrey Hoffman, daughter of Mr. and Mrs. Louis Hoffman.

Church school 9:30 a. m.
Morning worship 10:30 a. m.

Today, fellows, Old Hi has something to say about spin fishing and fish cleaning, in reply to a couple of readers who wrote me for some dope. So here goes:

One angler wants to know if the method of spinning may be used for early season trout fishing, when the streams are high and swift.

Well, it sure can... and with good results! The nickel spinners or wobblers, Spinning Wonder, Rangley Minnow, and weighted streamer flies which you cast are all adapted for taking large spotted trout feeding close to the bottom.

This holds for steelheads, cutthroats, Dolly Vardens, rainbows, browns, and speckled brook trout, for they all like minnows and so hit the lures that resemble bait fish in action. These lures lurled out by a tubular power-glass spinning rod 7 feet in length, fitted with a Brado fixed-spool reel and Skir nylon spinning line, are just the ticket for those big trout of early season.

Fact is, you'll be apt to take more of these lunkers on such an outfit than by using a fly rod and regular wet flies or streamers without a sinker. You need to get the lure close to the bottom, then retrieve it in a manner that is best created by the rotations of a spinning reel spool.

You add enough sinker weight to get the lure at the right depth, according to the type of artificial used and the swiftness of the current. Then you reel at a moderate rate and twitch the rod tip so the wobbler or streamer acts like a darting minnow. Brother, you'll have brisk action from the trout on your glass spinning rod!

Another reader wants to know how best to clean fish "without getting stuck by the sharp fins." Likely he's referring to the stabbers on bullheads and catfish, or the spines on black bass and similar fish.

You can avoid being punctured by any sharp fins by always using a certain handy tool—carpenter's pliers. The jaws of these pincers are curved just right for snipping off the prongs of catfish, and for gripping and tearing out the fins of bass, etc., after both sides of the fins have been slit by a sharp knife blade.

This is a quick and easy way of disarming a spiny fish, and saves you from getting hurt. I've used these pincers for years, and have found them to be ideal for the purpose.

Old Hi believes you'll be interested in reading the two-part story entitled "A Fishing Trip In Bermuda," by Mortimer Norton, in the April and May issues of Fur-Fish-Game magazine. This tells about the exciting sport Old Hi and his friends had last September when we caught various fish in the salt waters off Bermuda. You'll learn what good I-I tackle can really do with rugged fighters.

If you plan on some salty sport yourself this year, get your free copies of Old Hi's booklets, "Salt Water Sports Fishing" and "Pacific Coastal Fishing," by sending a postcard request to me in care of this newspaper. Also ask for "Fishing For The Millions," on fresh water game and pan fish.

Comments From The Bench

By Ruth

The Frankfort Girls Softball game was cancelled at the last minute, so there is no action to write about this week. I thought maybe you readers might be interested in the girls that comprise the team, so here is a short rundown of the players.

Let's start off with the pitcher, Arleen Flesher has been the main stay and her specialty is a fast ball and windmill fashion delivery.

Next comes the catcher. This has been Carole Peterson's hand out. Carole has done very well catching, and has a very fast peg as anyone covering second base will verify.

Then we have the three basemen. Jean Lentz covers first. Tall, slender, and with a good arm length gives Jean just the right requirements for a first baseman. Barbara Hauser takes second. Little but mighty Barbara and not afraid to turn acrobatic if necessary to capture a wild throw. Irene Benck has third base and on several occasions has been called upon to catch. Irene does well in either spot and has good throwing ability, whether it be from third to first or from home to second.

And of course an infielder wouldn't be complete without a short stop. Inez Reiter holds "down that toughie." "I got it" is a common phrase heard and she gets them and probably a lot easier since she got the new glove.

Our outfield consists of Delores Krohn, Anna Mae Lackner, Jean Schifler, Lois Steinbach and Lorraine Redman. Delores also has done some pitching and throws a slow ball when doing so. Lois and Lorraine are the only two lefthanders on the squad, and sometimes Lois is called upon to take first base. All five have been doing okay in keeping the opposition from getting too many extra bases or home runs.

Then we have LaVerle Mackey, our "player without a position" so to speak. LaVerle started the season in centerfield, has taken care of many infield positions and has been called upon to pitch. The only jobs she hasn't covered are first base, right field and catching.

Four other girls who have been in the lineup are Esther Maske, Betty Lesniewicz, Barbara Mayer and Bonnie Borms. Although not as active as those previously listed, these girls have filled in occasionally and their good sportsmanship and efforts put forth has been appreciated by the team.

And last but not least is the only male member of the crew Reuben Borms. This amiable coach has had lots of patience in teaching these girls to bat, throw field and bunt a ball.

There is one more task required at every ball game, and that is keeping score. Your reporter, Ruth Minger, has been handling the scorebook detail, and has used the records a great deal to furnish material to write these "Comments From the Bench."

The girls will play their next home game this evening and the

visitors will be from Homewood. Game time is set for 6:30 pm.

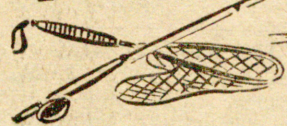

BEECHER COPS WILCO LEAGUE CHAMPIONSHIP

Beecher took the Wilco League championship from Tinley, Sunday, in the last game of the playoffs, when they defeated Tinley by a score of one to nothing.

Beecher's lone tally was made in the third inning after Teske popped out to the third baseman. Lettem drove a line drive to right field, which Siemens played beautifully, but Hogue failed to cover first in time and Lettem was credited with a single. Younker struck out and Claus tripled scoring Lettem. Wehling then received the only walk of the game and Hameister struck out to end the inning.

ANGLING

ANGLES BY OLD HI

Today, fellows, Old Hi has something to say about spin fishing and fish cleaning, in reply to a couple of readers who wrote me for some dope. So here goes:

One angler wants to know if the method of spinning may be used for early season trout fishing, when the streams are high and swift.

Well, it sure can... and with good results! The nickel spinners or wobblers, Spinning Wonder, Rangle Minnow, and weighted streamer flies which you cast are all adapted for taking large spotted trout feeding close to the bottom.

This holds for steelheads, cutthroats, Dolly Vardens, rainbows, browns, and speckled brook trout, for they all like minnows and so hit the lures that resemble bait fish in action. These lures hurled out by a tubular power-glass spinning rod 7 feet in length, fitted with a Brado fixed-spool reel and Skirr nylon spinning line, are just the ticket for those big trout of early season.

Fact is, you'll be apt to take more of these linkers on such an outfit than by using a fly rod and regular wet flies or streamers without a sinker. You need to get the lure close to the bottom, then retrieve it in a manner that is best created by the rotations of a spinning reel spool.

You add enough sinker weight to get the lure at the right depth, according to the type of artificial used and the swiftness of the current. Then you reel at a moderate rate and twitch the rod tip so the wobbler or streamer acts like a darting minnow. Brother, you'll have brisk

Beecher ... 0 0 1 0 0 0 1 3 2
Tinley ... 0 0 0 0 0 0 0 2 2
Winning pitcher, Saller, 11
Strikeouts, walked 0. Losing pitcher, Hug, 13 strikeouts, walked 1.

Bright Lanes Bowling Alleys to Hold Grand Opening

The Bright Lanes bowling alleys in New Lenox will hold their grand opening Saturday, August 29, their extensive remodeling program now having been completed. More than \$5,000 was spent on this remodeling work.

New Brunswick B-10 semi-automatic pin setters have been installed, giving smoother operation and precision-set pins. The alleys are now equipped with new plastic pins.

Open bowling dates are August 29, 30, 31 at 6 pm. and every Saturday and Sunday at 2 pm. Everybody is invited to attend the grand opening and inspect the alleys.

Toastmaster's Club Of New Lenox Meets

The Toastmasters club of New Lenox met Monday night, August 24 for their regular meeting in the Lutheran church dining room.

Toastmaster for the evening was Joe Gustaf. Topic master was Lowell Webb and Invocation and Benediction, Don Anderson.

Speakers for the evening were Leslie Brownlee, John Burlin game, Elmer Goldenstein. Sheldon Hauck and Harold Kammerer. Master Evaluator was John Oster, and Evaluators were Walter Bernard, Hunter Chapman, Ernest Hoefer, Lewis Loeb and Earl Robinson. Timekeeper was Carl Ryden.

20 LB. MUSKIE ENTERED IN FISH CONTEST

A few nice ones have been rolled up in the Tinley Park Hardware company's fishing contest during the past 10 days. Leading the parade comes Geo. McKee, Jr., of Blue Island, who landed a 20 pound 3 ounce Muskellunge (muskie to you) on a Surf-O-Reno, at Chippewa Flow age, Hayward, Wis.

Nice going, George! In second place with a big one that didn't get away is Bud Moore, who hooked and landed a 10 pound 5 ounce wall eyed pike in Finger Lake, Delta, Wis. and that's a lot of wall-eye!

Third (from the standpoint of weight only) was Nancy Moore, who snagged from the blue waters of Lake Superior, a 7 1/4 pound lake trout on a K & B spoon.

Catfish were biting, too, for some of the anglers who know where to bring their fish when they catch them, if they are of any size. Charles Hood, Jr. entered the race with a 1 lb. 12 oz. catfish, which succumbed to a night crawler dangling in the Fox River at Yorkville. Jimmy Hood comes up with a 1 lb. 8 oz. bull head, first cousin to the cat fish, caught in the same waters that yielded the catfish.

Jimmy Ruzzutti did a little fly fishing at Crivitz, Wis. and was rewarded with a one pound perch, which is pretty big as perch go.

There is still some fine fishing weather ahead before the contest closes. Everyone in this area is invited to register their catches with the Tinley Park Hardware. There is no charge, and there are worthwhile prizes for each fish classification.

38 TAKE PART IN MOKENA MEN GOLF TOURNAY

The first annual Mokena mens golf tournament, sponsored by St. Mary's Men's club, last Sunday, was a huge success. 38 golfers participated. The prize winners were, low gross, 78, C. Buchman. Low net in order: 1. George Haehnlein, 2. Leo Marcoux, 3. Dick Montazon, 4. Andy Harr, 5. B. Blaha, 6. Matt Omatto, 7. Poul Doyle, 8. Art Marshall, 9. Louis Omatto, 10. A. Lawson, 11. John Tomaska, 12. Ed Dahowski, 13. Dick Muehler, 14. John Marcoux.

These Mokena merchants made prize donations: Swanberg Auto & Supply; Dunham Hardware; Muehler's Tavern; Andy's Barber Shop; Morry's Tavern; Welsh Lumber Co.; Florey Gas Station; Robinson's Tavern; New Lenox Lumber and Hardware; Noble's Dry Goods; Dina Barber Shop; Ida Sweet Shop; Cooper & Hostert Garage; Grobarick Groceries; Richardson Market and Midwest stores.

Refreshments were served at the Belmont A. C. clubhouse, adjoining the Woodruff Golf course.

Chairman Leo Marcoux and committeemen Ed Dahowski and Frank Gottlieb wish to thank all who helped make this first golf outing the success it proved to be.

Sportsman Club Of New Lenox to Release Pheasants

The New Lenox Sportsman club were host to the Will County chapters in a combined meeting with the county group Thursday night, August 20, at the Lions Den in New Lenox.

Stanley Ekedahl, president conducted the New Lenox club meeting at which time a junior club for both boys and girls, ages 9-16, was organized. Routine and committee reports were given and it was announced that 240 pheasants have been purchased by the club and are being held now in release pen and will be released in time for the fall hunting season.

Eleven sports chapters from the county were present at the meeting held following the local club meeting and conducted by Truman Reeves.

The 1954 drive for new members will be started soon. A supper was served after the meeting by Christ Kruspe and Frank Chandler who were on the food committee.

In England lemonade is called lemon squash. Scene of the story, "Dracula," is laid in Rumania.

Famed Scientist Gives Views on Long Life

Dr. Benjamin Minge Duggar, discoverer of the "wonder drug" aureomycin, says that his philosophy for a long, satisfying life is: "Keep active, mentally and physically."

He will be 81 years old September 1.

Dr. Duggar practices what he preaches. At an age when most men would be content to sit in the shade and reminisce, this famed scientist still carries on a full-time research program.

He also finds time to have a small vegetable garden every summer, raising tomatoes, corn, okra and lettuce, and to play an occasional round of golf. He also fishes and in the winter he gets in some bowling.

Dr. Duggar is not a physical superman. He stands about five feet five inches and constantly weighs 122 pounds. The story of how this man gained world wide prominence is one of the most dramatic stories of our time. In 1943, at the age of 71, he was forced by state law to retire from the University of Wisconsin, where he taught botany. Not content to sit in the shade and hold his hands, Dr. Duggar came to Lederle Laboratories and began searching for an antibiotic that would be more effective than penicillin.

Dr. Duggar worked three years with teams of chemists, bacteriologists, pharmacologists, and other scientists, culturing thousands of earth molds, before the "golden wonder drug" aureomycin was isolated and developed for commercial production. The antibiotic was put on the market in 1948, when Dr. Duggar was 76.

But his scientific endeavors did not stop there. He is still working with the mysterious molds which live in the earth, hoping to find another antibiotic drug which will be even more beneficial than aureomycin.

Dr. Duggar was born in 1872, at Gallion, Alabama, son of a country doctor. There were five boys. One brother is still living, (79), and the others, two of whom were older than the scientist, died in recent years. Dr. Duggar's father lived to 82 and his mother to 79.

He recalls that he was riding a horse at the age of four. He has never been seriously ill, and even escaped many of the usual childhood diseases.

Does he smoke? Yes, a pipe—but with moderation. He also has an occasional brandy or high ball.

"Moderation is a wonderful thing," he advises. "Work and play with moderation."

Does he ever plan to retire? He says he does, but most of his associates take this with a grain of salt, for Dr. Duggar is a man with an insatiable curiosity about things scientific.

What could keep a man working at his age? Dr. Duggar sincerely hopes that he can make another substantial contribution to medical science.

"Also, I love my work," he says, "and that's very important. I get a great personal satisfaction from scientific accomplishment."

tion from scientific accomplishment."

Dr. Duggar feels strongly that there is a wonderful future in the field of scientific research for young people who have the interest and talent. Industrial laboratories, he says, are opening up vast new horizons that were unknown to the college researcher years ago.

"We now have real teamwork," he explains. "The colleges and universities constitute our principal reservoir of scientific talent; the industrial laboratories can supply the developmental know-how, the money and the sales. Together these two great scientific interests should carry us to magnificent new discoveries which will make life safer and longer."

Former Resident of Mokena Stunned By Lightning Stroke

Among the many people who visited our homecoming from Joliet were Mr. and Mrs. Carl Bjorn, Hebbard street. Being old time friends of former residents of this area, they told us visiting the family of Elmer Borg recently at Knox, Ind. The Borg family when here, lived on the Jeff Doig farm on Maple street, and when Elmer left here he was about 7 years old. He now lives with his family and father John E. Borg, 91, at Bas Lake.

Elmer Borg picks up mill from farms in that area and takes it to the cheese factory at Rochester, Ind. Two weeks ago when on his route he was struck by lightning and was badly stunned. The lightning burned both feet and arms but he recovered nicely.

WILL COUNTY RURAL CHORUS WINS AGAIN

The Will County Rural Chorus won their third State Fair title when they competed Sunday at the Springfield Fair, having won the title the third time it becomes a permanent trophy now, theirs to keep.

There were 69 in the Will county chorus, competing with many other outstanding choruses throughout the state in the competition.

The Will county chorus is directed by Arthur Enix. Accompanist is Collette Koletto. All choruses were required to sing one number, "Thanks Be to God." For their selective number the Will County Chorus chose "Holiday," a Fred Waring arrangement.

The group went to Springfield in two chartered buses, and quite a number went in their own cars. They left Frankfort Sunday morning and returned Sunday night. Thirty friends of the members also made the trip to Springfield. Among them was Mrs. Joseph Scott, of Frankfort, a guest of her sister, Mrs. Gilbert Voss who is a member of the chorus from Manhattan. Mrs. Voss is the only person from this locality who sings in the chorus. She was accompanied by her daughter, Bernice.

Other invited guests were Mr. and Mrs. Carl Johnson, Mrs. Harold Scheer and daughter, Joyce of Frankfort.

Guesses Exact Number of Seeds In A Watermelon

The W. A. Muehler booth at Mokena's Homecoming was patronized by large numbers of people. Behind the booth a horse shoe game was in progress, most of the time, in which a great many participated. The ones who qualified for the tournament at the end of the Homecoming were Bud Swanson, Joliet, and Walter Hentsch, Mokena; Al Sorensen and Albert Egness, Mokena; Harold Schuldt, Mokena and Ralph Wagner, Joliet, Wesley Cappel and Hernar Lorenz, Mokena.

The winner Saturday night was Bud Swanson and Sunday afternoon's winner was Al Sorensen. Each received \$2.00. Sunday evening's winners were Al Sorensen and Albert Egness and they received \$5 each.

On hand at the Muehler booth was a 50 pound watermelon. The trick was to guess how many seeds were in it. When opened and the seeds counted it was found that the melon had 651 seeds, the exact figure guessed by Mrs. Harold N. Balaz of Joliet. About 45 children, who cared nothing about the seeds, dived into the watermelon and finished it.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Socialistic waste. That's what Congressman Ralph Gwinn of New York terms the Tennessee Valley Authority, or TVA.

But many hold whether or not TVA is waste by socialism, blunt business standards condemn it.

Government needs to reduce both public indebtedness and taxes. While no one seems to know just how much has been poured into TVA, there are strong feelings C. W. Harder that government could realize \$27 billion by selling TVA to private operators, could save \$500 million per year on bond interest, other costs.

In mid-thirties TVA was started to provide irrigation, power, and to control floods, although Army Engineers claim the Tennessee Valley will not flood more than once every 500 years.

The efficiency of TVA as a source of hydro-electric energy is held open to question, too. Congress is asked to build a total of 9 steam generating plants, presumably to meet greater needs for electricity.

There is evidence in Washington that administration may come to grips with the TVA question in order to justify its billing as a businessmen's administration. But there are many smoke screens of emotion and false premises to cut through.

Besides the cry of Socialism, there is the argument that the tax free TVA doesn't pay the taxes of private utilities.

This last argument is probably a half-truth as there is considerable doubt any utility pays taxes out of profits, but instead adds them to consumer rates.

Recently, the Pacific Gas & Electric, one of the nation's biggest utilities, told stockholders no rate increases are planned, unless taxes are increased, thus admitting that unlike individuals and small businesses, taxes do not come out of profits, but out of the customers. This situation could be remedied, however.

The big point is that the P G & E is located in California with more irrigated acreage than rest of U. S. And business deals have been worked out in California which if applied in the Tennessee Valley 20 years ago would have kept the government out of the power business.

A group of farmers needed a dam in the nearby Sierras for irrigation water. The dam is owned by the farmers' organization, but the power house is owned by the utility. And in exchange for permitting the water to run through their generators, the utility company pays off the dam's bonded indebtedness by semi-annual payments.

When TVA was started, it was necessary for the government to drive out of business 17 different private utility companies. A deal similar to the above would have given area even greater benefits without permitting bureaucrats to waste millions.

Many plans have been drafted for turning TVA over to free enterprise in a manner that will not result in merely changing from government monopoly to private monopoly. But Washington has given no authority to solve TVA question on basis of sound business and under a free enterprise system to reduce national debt by \$27 billion, save at least half billion yearly.

Lofly Quest for Uranium

EVEN MORE dramatic than the gold rush days is America's quest for uranium ore, now under way high on the rugged Colorado Plateau. At Uravan, below, ore mined in the Rockies is refined. Town was named for "ura" in uranium, "van" in vanadium.

ONCE PROCESSING IS completed, uranium, below, has a black, sticky form. Drying reduces the material to powder.

SANDSTONE near this typical mining structure yields carnotite. From it are derived traces of uranium ore.

MOUNTAIN-CLIMBING International trucks, one of which is shown in background, haul the ore to mills from nearly inaccessible mines. Miners examine ore for yellow streak, proof of uranium.

BABSON SAYS—

Copyright—1953—Publishers
Financial Bureau, Inc.
Babson Park, Mass. June 11.
The future of the Free Nations
of the world depends upon four
foundation stones: (1) We Par-

ents; (2) Our Churches; (3) Our
Schools and Colleges; and (4)
Our Newspapers. My appeal to-
day is for greater support of all
newspapers of the Free World.
(I would like to include a fifth
group—namely, the scientists
and inventors, but they now ap-
pear to devote their time largely
to the destruction of this Globe.)
In view of the above, the Bab-

sons have distributed their sur-
plus savings for awakening the
churches, through the great
Open-Church Movement; speed-
ing college education, through
Babson Institute, Webber Col-
lege and Utopia College, and
now dedicating this World's
Greatest Revolving Globe to the
newspapers of the Free World. I
feel that newspaper publishers
have not been appreciated when
they are entitled to far greater
respect and consideration. They
certainly are more important to
the future of America than are
the bankers, the manufacturers
and the shopkeepers. Newspa-
pers not only have the opportu-
nity of guiding their nation's
leaders, but they are a great
factor in electing the right lead-
ers. The advertising columns of
these papers determine the em-
ployment conditions of the coun-
try; while the editorial writers
determine largely what the
preachers and teachers say.

When I mention newspapers I
include everyone connected with
them, including the woodsmen
who cut the trees; the mill work-
ers who turn the logs into pulp;
the publishers and their report-
ers, writers and printers; and, in
fact all employees, including the
boys and girls who deliver the
papers. Yes, and I must not for-
get the advertisers, without
whom our whole industrial sys-
tem might collapse. To all these
I am dedicating this—"The
World's Largest Globe."

This "Great Revolving Globe"
is being located on the 300 acre
campus of the Babson Institute
at Wellesley, Mass. It is thirty-
feet in diameter and weighs
with the shafts thirty-seven
tons. The countries and cities
are located on a scale of twenty
four miles to the inch, and the
Globe will designate the home of
the newspapers of 400 cities
from which 95% of the popula-
tion of the United States, Can-
ada, Latin America, Great Brit-
ain, France, Italy, West Ger-
many, and the other Free Na-
tions are reading. Copies of
these and others, including the
News-Bulletin, Tinley Park
Times, Orland Park Herald are
being deposited in a concrete
vault under the cornerstone,
upon which will be bolted a
bronze plaque with the follow-
ing inscription:

"This plaque is dedicated to
the Newspaper Publishers of
the Globe and all persons in
their employ. May their work be
appreciated, their freedom be
protected and their great re-
sponsibilities be realized. Only
they can bring the nations of
this Globe into one United World
Roger W. Babson"

The Dedication was on Mem-
orial Day. President Edward
B. Hinchley of Babson Institute
introduced U. S. Senator Sal-
tonstall and Speaker of the
House Martin, who made the
leading addresses. They were
followed by a welcome from
Herbert R. Gleason, chairman of
the Wellesley Board of Select-
men, and by Major General
George A. Horkan, one of the
Institute's most distinguished
graduates. The ground was bro-
ken by Roger Babson Webber, my
grandson. The Chairman of the
Committee selecting and gather-
ing the newspapers is Lewis W.
Mustard, III.

I announced that surrounding
the Globe will be seats for over
a hundred persons and that a
Monthly Vesper Service will be
held with the Globe as a back-
ground for the minister. This is
so that every student will re-
member all the different nations
and races of the Globe. I want
them to realize that the entire
world is their responsibility
and that America is safe only as
the entire world is safe. I am de-
pending on my newspaper
friends to get other colleges to
install their students with this
same Global point of view.

Report of State's Attorney's Office Since January 1

States Attorney Frank H. Mas-
ters, Jr., Paul Brummund and
John McGarry, his first and
second assistants, attended a
short course for prosecutors at
Northwestern University week
before last. This course was at-
tended by prosecutors from prac-
tically every State in the Union
and also from Hawaii. The pur-
pose of this course was:

To acquaint prosecutors with
the possibilities of scientific
methods in criminal investiga-
tions and prosecutions.

To offer instruction upon a
number of important legal prob-
lems and trial techniques.

To provide a forum for the
mutual exchange of information
by the attending prosecutors.
The subjects of the various lec-
tures were extremely practical
and were pointed towards assist-
ing the prosecutors in more effi-
ciently handling the work of their
offices and protecting citizens
through better enforcement of

law. Also of interest were var-
ious suggestions made whereby
crime prevention could be ef-
fected through education of citi-
zens.

Since the first of the year, the
States Attorney's office has
handled 43 indictment cases in-
volving indictments returned by
the Grand Jury involving char-
ges of major felonies, including
murder, robbery, burglary, lar-
ceny and various statutory char-
ges. These cases, of course, are
handled through the Circuit
Court and of such 43 cases, only
one remains undisposed and that
case will be tried at the Septem-
ber Term of the Circuit Court.
In all of the cases involved, the
defendants were either found
guilty of or pleaded guilty to the
charges returned against them.
Additionally, they have handled
some 76 cases in the County
Court based on informations fil-
ed by the State's Attorney's Of-
fice charging the commission of
various crimes of the degree of
misdemeanor. Also, in the Coun-
ty Court, there have been proce-
sed some 62 petitions for commit-
ment.

Aside from the work in the
Court of Records, the State's At-
torney's office has been respon-
sible and in charge of the hand-
ling of over 1,200 cases in var-
ious justice of the peace courts
throughout the county.

On the civil side of work done
by the State's Attorney's office,
there have been 54 suits filed for
the collection of personal prop-
erty taxes in cases where the
amount of tax alleged to be due
was in excess of \$500.00. Thus
far, the suits filed by the State's
Attorney's office in these cases
have effected a collection of
\$42,800.31, out of which the
portion of the collection attrib-
utable to taxes is distributed to
the various taxing bodies and
school districts in the county and
the interest and penalties is paid
into the county general fund.
Also, the tax department of the
State's Attorney's office has
spent a total of 65 hours in the
handling of tax foreclosure cas-
es in the Circuit Court and a to-
tal of 77½ hours in the restrict-
ing of tax objections filed in the
County court by various rail-
roads.

In addition to the work out-
lined above, the State's At-
torney's office has secured num-
erous opinions from the Attorney
General on various questions
raised by county officials and
members of the board of super-
visors. Additionally, the office
has assisted the various county
officers in connection with their
legal problems and has also giv-
ing information and advice to
other public officials in the
county.

ALPINE

Mrs. E. Mrosek
Orland 41-J-1

There was a meeting of the Orland Boys 4H club at Maue school August 17 at 8 p.m. All last minute business regarding the 4H fair was taken care of. Dennis and Daniel Turay and Ronald Gawlik served refreshments.

The Alpine Girls 4H club met at the home of Mrs. Harwood Stellwagen August 17 at 8 p.m. A busy evening was spent preparing for their booth at the fair. Mrs. Stellwagen served refreshments.

A committee of 102nd avenue young people met the train in Tinley Park Friday afternoon to welcome Miss Evelyn Giesen of Chicago who had been invited to be their guest at the 4H fair. Evelyn had formerly spent a year in Alpine. While residing here she attended Maue school and made many friends.

Chester Williams returned Friday from a two weeks business trip to Houston, Texas.

Mr. and Mrs. Owen Maue and children spent Sunday afternoon and night of last week with Mr. and Mrs. Paul Adams in Atlanta. Monday all attended the state fair in Springfield.

Mrs. Helen Lembke, Maue school principal, her husband Roy, and their daughter Ann returned home to Mokena last weekend from an interesting and educational vacation spent in the southwestern states. Following an itinerary that had been carefully planned in advance, they were able to visit most points of interest along the way of their travels. In Arizona they saw the Petrified forest, the Grand Canyon, Hoover dam and the Painted desert. They visited the Carlsbad Caverns of New Mexico. In Colorado they saw the Royal Gorge, and the highest road in the world rising to a height of 14,600 feet in the lofts of the Rocky Mountain National park and Estes park.

In California they rented lodgings in Buena Park for a week. While there they made daily excursions to points of interest in and around Los Angeles. They visited Forest Lawn Memorial park in Glendale and saw the 195 foot oil painting of the crucifixion and the stained glass window with the picture of the Lord's supper. They didn't, of course, miss Hollywood. They saw Hollywood bowl and went through the Fern Dell studios where the Tarzan pictures are filmed. They also saw the St. Sophia cathedral, which was built by the famous Fox studio, and is reputed to be the most beautiful cathedral in the world. They were especially excited about getting in on Art Linkletter's television program, "House Party," located in the \$45,000,000 TV city. They were impressed with the famous Statler hotel in Los Angeles and the San Juan Capistrano mission. Their tour took them through the LaBrea tar pits, Knott's Berry farm and through the Orange groves at Anaheim where the picking of the Valencia oranges (pure gold) was in progress. They also went through a factory and saw how the processing of oranges was done. At Sequoia park they felt very small beside the giant red wood.

While in Los Angeles, the Lembkes had the pleasure of visiting with his brother, Howard and family, formerly of Alpine, and other relatives. They also stopped to see the beautiful Sears store in Compton, Cal., which was designed by the late Mr. L. S. Jaynes, formerly of Alpine.

They put in their longest day of travel when they went thru Gallup, N. M. where 40,000 Indians were celebrating.

The entire trip was made with outmishap, Mrs. Lembke says, however, that she was very nearly pushed off a mountain in their car and that at another time she very nearly caused disaster to two trucks.

Although they had a wonderful trip, and had a fine time, they, like most folks, were glad to be home.

While Mrs. Lembke was traveling the southwest, Mrs. William Brown, Maue's upper grade teacher, has been touring the northwest. When last heard from she was in Yellowstone National park. Anyone familiar with the Yellowstone region could safely say that Mrs. Brown is having a breathless time. She too, will have an interesting story to tell.

What started out to be a birthday celebration turned into a family reunion at the home of Mr. and Mrs. Garrett Cummins Sunday. A surprise visit from their daughter the Rev. and Mrs. Ray Hamer and children, Garrett and Sharon, of Blandenville, completed the family group that had already gathered at the Cummins home in honor of their twin grandsons' birthday, August 21. The Cummins were overjoyed in having all of their children and grandchildren under their roof at one time. Other members of the family group present were: their daughter, Mr. and Mrs. Roy Walker and sons, Jimmy and Arthur their daughter, Mrs. Robert Nolan and daughters, Donna, Gayle and Janet, of Chicago; their son Mr. and Mrs. Roy Cummins and son Chris of Harvey; their daughter, Mr. and Mrs. Deen Taylor and children, Judy and the twins, Deen and Donald of Chicago. Mr. and Mrs. Harry Taylor of Chicago, parents of Deen Taylor, and his sister Mrs. Richard Kraetsch and children, Sharon and Dick, of Chicago, were also present. Garrett Hamer, whose birthday was Sunday was able to celebrate his birthday along with his twin cousins, Deen and Donald.

Mr. Leo Scharf and family who moved to Alpine in 1940, but have resided in Harvey the past three years, are back in their old home at 167 street at the Wabash railroad.

Sunday guests of the Roy Walkers were his mother, Mrs. Art Walker and his sister in law Mrs. Ray Walker and children, all of Chicago.

Mr. and Mrs. William Kaveloh of Tucson, Ariz. were weekend guests at the home of his sister, Mr. and Mrs. William Felsch. The Kavelohs were formerly of southern Ill.

in Maywood. Mr. Haley informs us that he is in the British Home in Brookfield, where he has purchased a room for the rest of his life. He says: "We have a private room, board, doctor and nurse care, and use of the infirmary. There are about 90 residents here, from 75 to 102 years of age. It is a nice clean place, with beautiful grounds, situated on the west side of the parking lot of Brookfield zoo".

Al Johnson of Lockport was injured in an auto accident near Kenosha, Wis., late Saturday and was removed to a Kenosha hospital where he died Sunday night. His wife is the former Gladys Myers who lived in this vicinity a few years ago.

Mr. and Mrs. Everett D. Holm, Mrs. Louise Holm, Roy Holm and Billy Tisey attended the annual Holm reunion Sunday at the athletic field in Lockport. Henry Rodgers has been quite ill in his home during the past week.

Mrs. Otto Konow is ill in her home. Bill Tilsey, Richard Kasak, and J. Nurzel attended the Fair in Springfield, Monday and Tuesday of last week.

Willard Rowley, Sr., accompanied his son, Willard, to the state fair Saturday.

Rev. and Mrs. Arthur Talbert were weekend end guests of the Willard Rowley's and Rev. H. M. Finley and son were Sunday night supper guests in the Rowley home.

Mr. and Mrs. Michael Roberts and children and Mr. and Mrs. Merritt E. Cagwin and family left Saturday for a week's vacation in the north.

Mr. and Mrs. Arthur Shepherd have returned from a two weeks motor trip to New Jersey and other eastern places.

Mr. and Mrs. Claude Colegrove entertained a party of relatives and friends last Thursday evening in honor of their daughter, Caralee, and her 16th birthday.

Mr. and Mrs. John Loucks were hosts to a party of 20 guests last Thursday evening at a wienner roast in the yard of their home. Friends came from Frankfort, the Loucks former home town.

Mrs. Fred Meyer, Mrs. Robert Kling and daughter, Sandra, and Miss Dianne Burde, all of Lemont, were luncheon guests of Mrs. John Brier last Wednesday.

Will Hansen went to Wisconsin Saturday to attend a reunion of his family.

Mr. and Mrs. Louis Pelkey of New Lenox were Saturday night visitors in the John Loucks home. Mrs. George Ott will sell her her farm equipment at an auction sale Saturday afternoon, August 29, beginning at 1:30.

A building boom seems imminent in Homer township according to recent permits issued for 17 houses, 15 of which are to be built by A. H. Bruning, Joliet contractor, in the subdivision known as Fouray in the northwest part of the township while one went to J. T. Latocha of Chicago for a 5 room brick house on 136th street, and one to Harry R. Wormley, also of Chicago for a 5 room frame home, 1/2 of a mile south of 159th street on Parker road.

Mr. and Mrs. C. G. Rowley entertained at a family dinner Sunday in farewell to Mr. and Mrs. Laverne Kasper and daughter, Beverly, who leave soon for their home in Arizona after spending the summer with relatives here.

The Hi-X enjoyed a picnic supper and a hayrack ride Sunday evening, having as their guests the young people from the First Congregational and Methodist churches in Lockport.

The King's Daughters will meet in the home of Mrs. Frank Milne Thursday, September 3, in the afternoon.

ANNOUNCE ENGAGEMENT
Mr. and Mrs. Charles Jensen are announcing the engagement and approaching marriage of their daughter, Clarlene Elizabeth, to Anthony M. Burcenski, son of John Burcenski, of Lockport.

The ceremony will take place Saturday afternoon, September 12, at 3 o'clock, in St. Dennis church, Lockport. A reception will be held in the church hall at 7 o'clock in the evening. All relatives and friends are invited to attend both the wedding and reception.

There will be no church or Sunday school services at the Homer church August 30. This is the annual vacation.

L-Hook Shelves

WASTE space between shelves in a kitchen cabinet may be utilized by the installation of simple hanging shelves on which small items such as cups and saucers, salt and pepper shakers and bric-a-brac may be stored.

Usually small in size due to space limitations, these shelves ordinarily are from six to eight inches wide and from twelve to twenty inches

long. Make them from Masonite quarter-inch tempered hardboard. Insert long L-shaped hooks through drilled holes in the hardboard and then screw them into the shelf above. The hooks should be near the edges and at the corners of a shelf which is not longer than one foot. Intermediate hooks inserted mid-way on the long sides of the rectangle should be used if the length is greater.

Paint or enamel the shelves, as desired, using an undercoater and two finish coats.

The same principle of attachment may be used for other small shelves similarly located.

Dial Mokena 3851

This is a True Case History

I SAVED \$116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me \$257.60 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

Bales 10 Tons an Hour

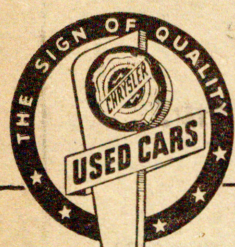

The new Dearborn Hay Baler will produce three to eight bales per minute and has a capacity of 10 tons of hay per hour, providing farmers with fast, efficient one-man baling. Bales measure 16" by 18" in either 36" or 42" lengths. Bale weight can be adjusted between 50 and 100 pounds. A 25 horsepower engine provides ample power for baling under varied conditions. With this powerful engine, stacked hay can be baled as efficiently as windrowed hay.

**Less Labor Milks More Cows and Handles
More Milk with the Flexible Model F****DE LAVAL COMBINE MILKER**

Milk This Way...

**INSTALLED IN A
SEPARATE MILKING ROOM...**

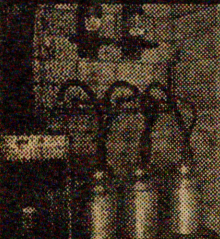

Milking 30-35 cows per hour per operator is common practice in many dairies using the De Laval Combine Milker installed in a separate milking room in connection with either a loose housing or stallion-type barn. Stopping, squatting, walking from cow to cow and carrying milk are eliminated.

Or This Way

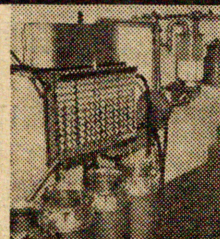

**OR IN YOUR
DAIRY BARN OR MILKING SHED**

Dairymen are enthusiastic about the wonderfully efficient results obtained with the De Laval Combine Milker installed in the barn or milking shed. One man milks 50 or more cows per hour. The feed cups are moved from cow to cow and the milk is conveyed through sanitary pipe to the milk room.

...and Handle Your Milk in Any of These Three Ways

Run Directly into Cans...
Most Combine users have installations which automatically filter the milk and fill the 40 qt. cans in the adjacent milk house. Carrying and pouring are eliminated.

Aerate, Cool and Can...
In some sections, such as California, the installation is arranged to filter and convey the milk and discharge it over a surface cooler, thence into the 40 qt. cans.

Discharge into Farm Tank
The De Laval Combine discharges the milk into the refrigerated farm tank, from which it is either "canned off" or pumped directly into the milk tank truck.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

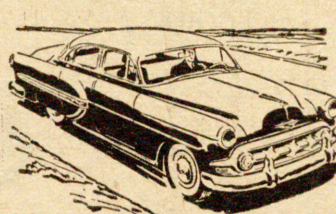

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide® models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrift-King" engine.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response — right now! Chevrolet's improved brakes are the largest in the low-price field.

nesday of the month.
